

The Reading Workshop in 5/6M

5/6M launched The Reading Workshop in our classroom with a wonderful art piece to celebrate the characters from the classic tale, The Wizard of Oz. Each student played a vital role in creating the colourful installation which was made entirely from paper.

Mrs. MacKay is a huge fan of the book and she kindly shared priceless memorabilia from the story that she has collected with her family over the years. The students were captivated by her dog Chloe during the Show and Tell. Chloe is a Cairn Terrier and looks very similar to Dorothy's dog Toto in the story. Thank you Mrs. Mackay for inspiring us!
