FROM THE PRINCIPAL

No.13 Tuesday 1st August 2017

Dear Parents, Students & School Community,

New Relocatable

We received confirmation on Monday that a new modular 5 relocatable portable will be installed on the school oval. The portable will include 2 classrooms, a break out room, reverse cycle heating/cooling and storage.

This will be an exciting time for the school community as the additional classrooms are the result of a projected enrolment increase for 2018 and beyond. More information will be available once a timeline is confirmed by the nominated contractor over the coming days. We apologise in advance for any inconvenience and look forward to providing more information when available.

2018 Enrolment

With the projected growth in the school, it is important that families enrol siblings or inform the office in writing if you are leaving the school. Projected enrolments assist with the staffing, planning and organising of teaching and learning within the school. If you have any queries, please feel free to contact me via the school office.

Off-Site Evacuation Drill

Today we completed our 3rd practice Evacuation Drill for the year. As part of our Emergency Management Plan and OHS, we are required to practice different scenarios. All staff and students successfully evacuated to the Elder Street oval prior to lunch and completed our set protocols.

Working Bee

Thank you to the large amount (over 40) of parents, students and staff that attended the working bee on Sunday. A beautiful winter's sun greeted our volunteers! Take a look below at the pictures that show the work that was completed. 'Many hands sure make light work'. Congratulations to Michelle Symeonidis (Leon 3/4L) who won the \$50 Bunnings Voucher.

National Tree Planting Day

Our Year 6 students participated in the annual tree planting day on Friday. Fifty seedlings including shrubs, ground cover and grasses were planted in the South East and South West corners of the main oval. Many of our students had not planted a shrub or flower before and they thoroughly enjoyed the experience.

Thank you to all of our Year 6 students and Miss Mooney

Trivia Night - Saturday 12th August @ Clayton Football Club

The annual trivia night is creeping closer each day. Numerous notices were sent home to families yesterday requesting the donation of items for hampers and the silent auction. Tickets have been selling steadily with half remaining. Please contact the office to secure your seat.

Social Media

Following the introduction of a new website at the end of term 2, we have now launched our Facebook page www.facebook.com/clarindaprimaryschool. Please 'like' and 'share' the page with family and friends as it will provide an insight into teaching and learning at our wonderful school.

100 Days of Prep (Foundation) Learning

Congratulations to all of our Prep students on celebrating 100 Days of Learning at Clarinda PS. They all celebrated the day with numerous games, activities, a special lunch and a visit by Mrs Wishy Washy.

Thank you to all of our wonderful staff that have helped make the 100 days so special for our Prep students and the parent community for their support!
