FROM THE PRINCIPAL

No.14 Tuesday 15th August 2017

Dear Parents, Students & School Community,

School Concert

The CPS concert is only 3 weeks away and tickets are now on sale. The performances will take place on Tuesday 5th and Wednesday 6th September at South Oakleigh College. Initial tickets sales are limited to 2 tickets per child per night. Additional tickets will be on sale from Monday 4th September.

Curriculum Day

A reminder to parents that this Friday, 18th August, is a Curriculum Day for all students. Students do not attend school on a Curriculum Day. Staff will receive Professional Learning about 'Words Their Way' and Life Skills - Empowering the Individual. Words Their Way is a teacher-directed, student-centred approach to vocabulary growth and spelling development whereby students engage in a variety of sound, pattern and meaning activities, sorting pictures and words. It caters for differentiated learning in the classroom, rather than a one-size fits all solution.

The Out of School Hours Care (OSHC) program will be available on the day.

Bookings required. The theme for the program will be 'Pirate Day'.

Kiss and Go Parking

The City of Kingston has informed the school that they have placed an order for the allocation of new Kiss and Go signs for parking around the school. Information of Kiss and Go traffic management will be sent out via eNews, Facebook and our website in the coming weeks to assist our parent community. New line marking will also be added to the turning bowls in Eulinga Road.

Welcome Joelle Ferre

I would like to extend a warm welcome to Ms Joelle Ferre. Ms Ferre will be the new art teacher until the end of 2017. Mrs Murphy will be taking Long Service Leave until the end of the year. Students who attend Art on a Friday will have already met Ms Ferre.

Trivia Night

The annual Trivia Night was a great success on Saturday night. 90 members (parents, grandparents and staff) of the school community attended the event at Clayton Football Club.

I would like to thank:

- ★ Lesley McLeod and Marcie Civins for co-ordinating the night and gathering sponsors.
- ★ Sandeep Chalil for assisting with advertising.
- ★ Clarinda Parents and Community Club
- ★ All of our sponsors listed further into the newsletter.

Congratulations to the Wishful Thinkers team.

School Portable update

Preparations for the new modular 5 portable have started with the erection of temporary fencing and the laying of gravel access track. Information was sent to parents via eNews last Thursday to outline what is proposed for the site works until completion.

Prep Z and 1/2M will line-up and be dismissed from the netball courts until further notification. We do apologise for the disruption and if you have any concerns, please contact me via the school office.

Education Support (ES) Week

This week is an opportunity to acknowledge and thank all of our Education Support Staff. Our Education Support Staff assist teachers to deliver a personalised teaching and learning program to students that require additional intervention. We also have the office team who contribute in many specialised areas of administration. On Thursday, we will celebrate the contribution from Jan, Carol, Arg, Les, Ann, Effie, Tina, Sarah, Sonja, Julie, Lynn and Jeanette. Thank you for all that you do for our school community!

Book Week - 24th August

Book week will be celebrated on Thursday 24th August. Students can dress as their favourite book character. A parade will be scheduled in the hall from 9:15. Students will then break into multi-age groups (P-2 & 3-6) from 10am-12:35pm. Staff will be conducting classroom activities during the multi-age rotations.

Parent and Community Club (PACC) - Annual General Meeting (AGM)

The Department of Education and Training (DET) has approved the new model constitution for the name of the club. We are now required to conduct an AGM to elect positions for 2017.

The next meeting is scheduled for Wednesday 30th August at 2:30pm in the staffroom.

Coffee and cake will be provided at the meeting.

The following agenda items will be tabled:

- ◆ Election of office bearers for 2017;
President, Vice President, Secretary and Treasurer
- ◆ Fathers Day Stall
- ◆ Footy Colours Day

OUT OF SCHOOL HOURS CARE NEWS

Don't forget to book in for Curriculum Day on Friday if you need Care.

Please call into After Care if you need information. Forms and information are also available at the Office.

We've been talking about Safety last week and the children were given the job of finding out their house and street number in case they had to dial 000.

We've also discussed family Safety Plans in case of fire and keeping safe in the playground.

REMEMBER YOUR COAT FOR OUTSIDE PLAY

Avenue Q at SOSC

On the 8th of August the year 5/6's went to South Oakleigh Secondary College to watch the students perform a play called Avenue Q.

There was a lot of singing and real-life situations, like looking for jobs and hoping to have a good life with friends and successful careers.

It was funny and entertaining.

There were lots of different characters, some were Muppets and others were humans who lived on Avenue Q. The story was about a Muppet called Princeton, who moved to Avenue Q and wanted to get a job to pay his rent and make money to live.

The students were amazing and brave to stand in front of the audience and sing solos. The students made their own Muppets and did a wonderful job using fantastic creativity to make their Muppets so lifelike. We were really entertained by the Singing Boxes

We had a fun, but unfortunately we didn't get to see the whole play since we ran out of time. We are all grateful for being able to watch them and hope we can see more of their plays in the future.

In 3/4T we have begun working on the "Resilience, Rights and Respectful Relationships" social skills program. Through games, role plays, class discussions and fun activities we are learning about our emotional literacy, ways to work with our triggers and our personal strengths.

Research shows that students who participate in rigorously designed and well taught social and emotional learning programs demonstrate more positive social behaviour, are less likely to engage in risky and disruptive behaviour, and show improved academic outcomes.

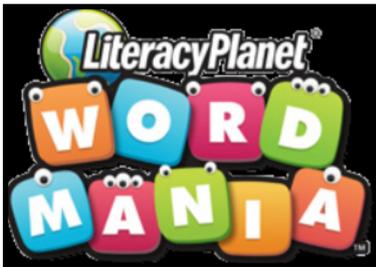

We are thoroughly enjoying these activities. Here we are creating posters of our positive and negative emotions and the types of events which trigger them in our lives.
