## Care Achieve Respect Excel

### FROM THE PRINCIPAL

No.21 Tuesday 21st November 2017

Dear Parents, Students & School Community,

#### **Lap-a-thon - fancy dress day**

A notice was sent home on the 3<sup>rd</sup> of November to encourage students raise funds for the whole school lap-a-thon. Students may seek sponsorship from their family, friends or neighbours for the amount of laps they run/walk on Friday 24<sup>th</sup> November. Money raised from the day will contribute to the installation of a tan running track around the school oval. Prizes will be allocated to the class who raises the most funds, best dressed and highest earner for each grade level. The PACC will also provide a Zooper Dooper on the day for all participants. Schedule: Prep - 2 from 9:15am and Yr. 3-6 from 10am

#### **Soccer Goals**

Our new soccer goals have been installed and have proved to be a focal point for students at recess and lunchtime break.

Once again I would like to thank our PACC and students for the funds they raised to assist in purchasing the goals.

#### **Planning for 2018**

To assist in planning for the 2018 school year, we would like parents to inform the school in writing if they are moving their child to a new school. This includes families that are moving interstate. A letter or email can be addressed to Mr. Mallett and include information about where their new school setting will be.

#### **PACC News**

The next PACC meeting is scheduled for Wednesday 22<sup>nd</sup> November at 2:30pm in the staffroom.

#### **CLARINDA PRIMARY SCHOOL ESSENTIAL STUDENT COSTS 2018**

Recently in the mail you would have received your essential education costs 2018 tax invoice and explanatory notes.

For 2018 we are introducing a sliding scale of costs:

- ◆ First Child: \$350.00 (\$87.50 per term)
- ◆ Second Child: \$320.00 (\$82.50 per term)
- ◆ Third and subsequent child/children: \$300.00 (\$75.00 per term)

Due to an administration error please disregard page 4 of the documents as it has been sent out in error. Please accept my apologies for any confusion caused.

# Reporting against the Victorian Curriculum F-10 achievement standards

## LEARNING AREAS

### English, Mathematics and Science

Schools report student achievement against the achievement standards indicating the level of attainment reached by each student and the age expected level of attainment for every student in every year.

For English and Mathematics schools report student achievement, twice a year, in English against the modes and in Mathematics against the strands.

For Science schools report student achievement, at least once a year, commencing in Year 3 or earlier if this is part of the teaching and learning program.

### Health and Physical Education

For Physical Education schools report student achievement twice a year, against the achievement standards. Health is reported on whenever it is taught within the two year band of schooling, in accordance with the whole-school teaching and learning plan.

## YEAR LEVELS

### Years Foundation to 2

Schools report student achievement against the achievement standards in English, Mathematics, Health and Physical Education, The Arts and Personal and Social Capability. The focus at the Foundation stage is on these five curriculum areas however if schools choose to teach other curriculum areas then these should be reported against also.

### Years 3 to 6

Schools report student achievement against the achievement standards in English, Mathematics and Physical Education twice a year; and Science at least once a year. Other curriculum areas are reported during each two year band of schooling, in accordance with the whole school teaching and learning plan.

# FOOD FOR FAMILIES APPEAL

For the past two years, our school has assisted the Wesley Mission by collecting items for their Christmas appeal. Last year we were overwhelmed with the wonderful response from our school community – we collected eight large boxes of items.

So we have registered for the **Food for Families** appeal again.

Wesley Mission Victoria recently joined together with Uniting Care agencies from across Victoria and Tasmania in order to have a greater impact. They are continuing to stand beside individuals, families and communities who rely on them for support at Christmas time and throughout the year.

This very worthwhile appeal helps families who are struggling with the cost of living by providing nutritious food and household essentials throughout the year.

We are asking families to send to school an item of non-perishable food or toiletries, and we will organise for it to be collected and distributed to needy families. Please send your donation by **Friday 8<sup>th</sup> December**.

If you can't decide what to send to school for the appeal, see the shopping list below. Thank you for your help.

Kerry Candy

## Food for families shopping list

# Language Corner News

The students in grade 3/4 have been learning about occupations in the circus. They examined the roles of each occupation within the circus and then used this information to design a class 'Who am I?' book based on their learning.

In After School Greek the students from Foundation to Grade 6, have been learning about traditional Greek food. They have explored different recipes and have had the opportunity to create these recipes and taste them within the classroom environment. They have also used a number of different mediums to demonstrate what they have learnt.
