

August 2019

We value student voice (Yr 4-6) as a means to improving student engagement, wellbeing and quality instruction and are conducting a survey to find out what your child thinks of our school. The Attitudes to School Survey is an annual student survey offered by the Department of Education and Training to assist schools in gaining an understanding of students' perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child's schooling experience.

2019 Survey data indicated:

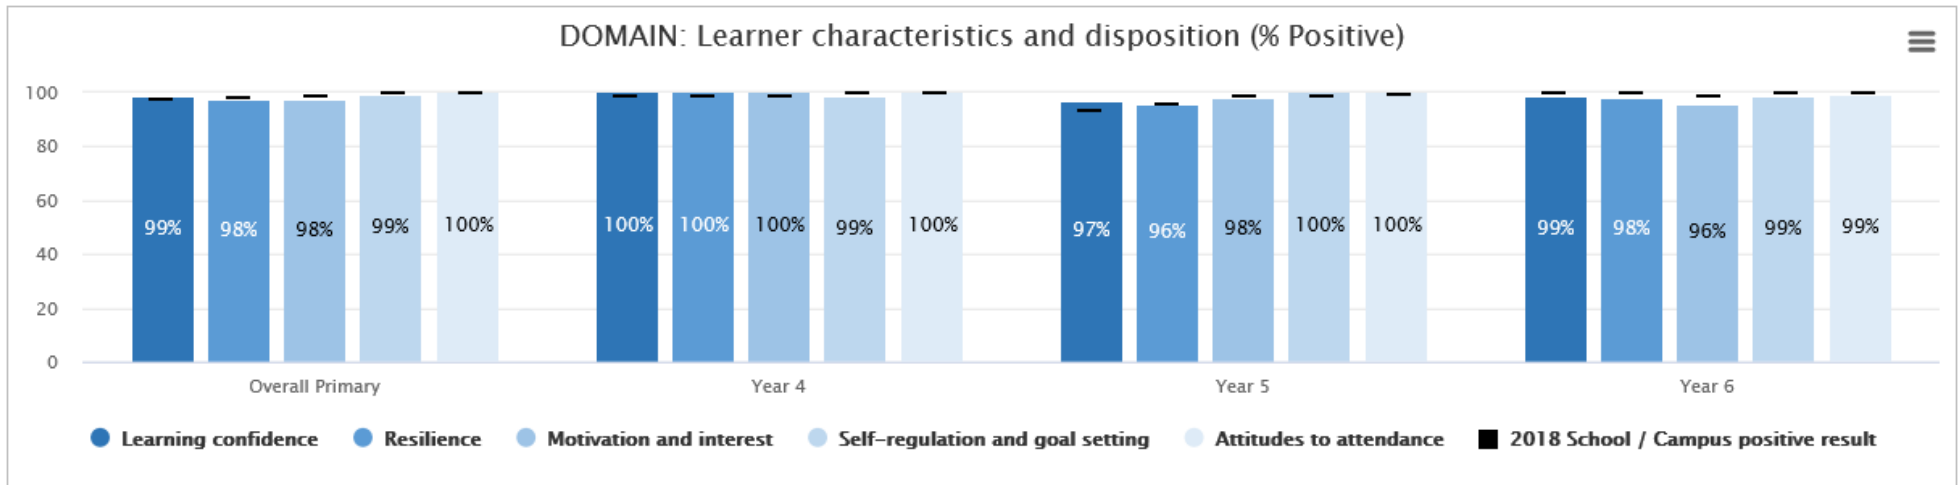

Please note that *Individual School Results Report* provides PRELIMINARY survey data prior to any analysis by the Department. No statewide comparisons have been calculated nor 'like' schools data. Response rates are based on enrolment numbers provided by schools and may be adjusted by the Department if incorrect.
