Notable features of our school are a modern well-equipped library, a multi-purpose hall, a large art/craft room, music room and advanced computer learning technology equipment. Facilities also exist for students with special needs.

The school site is large with both active and passive areas for student and community use. The well-maintained grounds include two large grassed playing fields, extensive shade areas, sand play, seating and gardens, vegetable garden and chicken coop, netball and basketball courts, cricket nets and pitch, two modern adventure playgrounds designed specifically to cater for junior and senior students and a student stage area. The staff at Clarinda, supported by the School Council, have established an atmosphere of warmth and friendliness towards all members of the school community and visitors to the school. With

students from a wide variety of cultural backgrounds and in many cases, speaking a language other than English at home, our school has embraced multiculturalism, inclusion and equality.
