HOMeWORK

In Term 2, students are encouraged to complete the following:

Maths – students will receive a weekly Maths homework sheet, focussing on quick recall of times tables facts. All children will benefit strongly from being able to recall multiplication facts up to 12 x12 by the time they complete Grade 4. Please see the notice sent home for more information about maths homework this term.

Reading – students are expected to read every night and record it in the reading log inside their Reader Cover. Students are welcome to read books from the class Take Home Reader boxes, but they are also welcome to read and record other books – it's a great idea to visit your local library that your child can choose some exciting new books to read!

PREMIER'S READING CHALLENGE

The Premier's Reading Challenge is on again right now, and we would like the students enrolled to read as many books as they can. Remember a student who reads 20 minutes per day will have read 3,600 minutes in a school year.

Please send a dojo message to Ms Pilakis or Mrs Marikar if you have any questions about the reading challenge.

Please remember to bring a **box of tissues** to share with your class this term.

THANK YOU
