Parent Teacher Interviews and Student Reports

It is pleasing to see so many of our parents take the opportunity to book a Parent Teacher Interviews on Tuesday. All up with had 284 bookings for 334 students.

As our teachers formally reflected on your child's achievements during the first 6 months of this year within the Semester 1 reports, it is worth remembering that all students (regardless of year level) are individuals and develop physically, emotionally, and academically at different rates. As educators it is our role to provide students with every opportunity to help them achieve their goals and reach their potential. This will vary from child to child, and is why we see our students as individuals, rather than students who we can compare against other students.

I know parents appreciate the many hours of work that go into these reports. Teachers review their assessments and moderate within their teams to ensure that each student's report is as up-to-date and accurate as possible.

Crazy Hair Day

The Junior School Council (JSC) will be holding a Crazy Hair Day on the last day of Term. The Crazy Hair Day will be an opportunity to support State School's Relief (SSR). SSR provide school uniforms and clothing to families that are experiencing financial hardship.

Please support the day with a gold coin donation.

CYBER SAFETY

As we move into the mid-year break, I would like to highlight the unwanted and unacceptable uses of social media that is more readily available, particularly during the holidays.

While we understand parents need to attend to work commitments and other duties, it is most important to monitor your child's computer/mobile phone usage at all times.

At a student forum last year, we had Victoria Police present about the dangers of social media on young people and the strategies that can put in place to help children behave responsibly when online. One piece of advice was for parents to limit the time that their children are allowed on various platforms throughout the day. Another piece of advice was for parents to be 'friends' with their children on what every platforms the children are using so that you could monitor what your child is doing.

There is no right or wrong with this, but we are asking parents to please keep an eye on your child and what they are doing when they are online.

At the moment, TİK TOK seems to be the main issue and the age rating is 13+. Yet many of our users are not 13.

A quick search has given us the following tips for the use of TIK TOK: https://www.ccyp.com.au/wp-content/uploads/2022/01/A-Quick-Guide-To-TikTok-for-Parents.pdf

All we can do is keep asking parents to support us as we try and educate the children on Cyber safety.

What does it mean to be safe online?

Behaving safely online means:

- Protecting one's own privacy and personal information.
- Protecting the privacy of others (this can be sharing personal information or images, which in most cases is unlawful).
- Selecting appropriate spaces to work. The home computer should be set up in the kitchen area or somewhere common. Not laptops tucked away in bedrooms.
- Being proactive in letting someone know if there is something that is "not quite right".
 At home this would be a parent or guardian, at school, a teacher.
- Ensuring there are suitable malware/anti-virus programs on your computer
- Of course, these principles of safety and responsibility are not specific to the web, applying to the use of the internet both at home and at school.

Happy holidays

Erin and I would like to wish all students, families and staff a wonderful holiday. It has been a great Term Two at Clarinda Primary School and we look forward to this continuing in Term Three.

We welcome the community using our facilities during the holiday break as it is great seeing children and families being active and playing outdoors, however, if you see anyone acting suspiciously or inappropriately around the school grounds, please contact Victoria Police on 000. We look forward to seeing you all back at school on Monday, 10^{th} July.

Dear Parents and Families

I would like to share some amazing activities done by our children in OSHC. Children celebrated Big Art week in OSHC where they expressed their thoughts and feelings through their amazing artistic skills. Children were thrilled to draw, paint, DIY crafts, pencil sketch and learnt different techniques to express their emotions and learning about the world in which they live in. Sharing Some of the pictures below.

Please jump in and book your child for Upcoming winter Rocketeers Holiday program as bookings are already open and get more details about Rocketeers BIG ART Day as well. Foster Care Nurturing who they are and who they want to be

As a parent, you know that every child and young person is unique, resilient and has abundant potential.

Childhood is one of the most important times in life. It's a time for discovery, growth, exploration, and learning—a time for making connections that shape who we become.

Berry Street foster carers play a vital role in supporting a child's journey and in nurturing their uniqueness. With your time and care, you can encourage and empower a child or young person who has experienced trauma to grow, develop and feel safe.

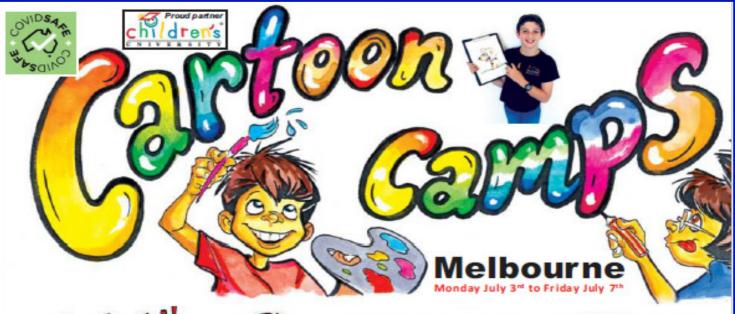

Whether it's supporting a child to feel safe and build their trust in adults, exploring their interests and developing new hobbies, or encouraging a young person that their dreams are valid, being a Berry Street foster carer is a deeply meaningful and crucial role. And one which each carer brings their unique life experience and skills to.

Join our community of foster carers and help make a positive impact on a child's life.
