### **Curriculum Contributions**

Thank you to all the families who have paid the 2025 Curriculum Contributions. Your support is greatly appreciated. Curriculum Contributions provide payment for your child's stationary items, Science, Technology, Engineering, Art, and Maths resources, (including many digital subscriptions), photocopying and learning materials, and contributes to the provision of IT devices. Without these contributions, we may not be able to continue to provide the resources that benefit your child's education. If you have not yet contributed, you are still able to do so through Compass (Course Confirmations and Payments) or cash. If you have any questions, please do not hesitate to contact our front office or school email.

## Reminder: Professional Practice Day-Student Free (OSHC options available)

Camp Australia currently has bookings 'open' for a full day of care during our upcoming Student Free Day on Tuesday 3<sup>rd</sup> June. Any parents who are intending to use this service are urged to BOOK NOW to avoid the program being cancelled.

### **School Savings Bonus**

The Victorian Government has delivered the School Saving Bonus (SSB), a oneoff support of \$400 for eligible government school students. The SSB can be used for uniforms and school activities at any time via the school office. The credit will remain on your family statement until all funds have been used to purchase uniform or pay for school excursions/camps.

We request all families go onto the SSB online system and allocate their students funds to school activities. Please follow the Step by Step guide attached at the end of this newsletter.

If you have any questions please contact our administration team for any SSB related questions.

### CSEF

All families that hold a valid health care card can apply for the CSEF.

Camps/Sports/Excursion/Funds can be used towards any camp or excursion. It cannot be used for curriculum contributions. If the card was valid on either the first day of term 1 or term 2, each child listed on the card is eligible to receive \$154 for the year. Applications are due by the end of term 2. Those who have already applied, your funds should have already been received by our school.

Please don't hesitate to email the school or come to our main office if you have any questions regarding the above. I have attached a CSEF application form for families that hold a valid health care card and also the parent information guide for SSB.

### Parent and Community Club (PACC)

Welcome to the family

A very big thank you to Shaun and all of the supporters and helpers in our PACC co-ordinating, planning and facilitating the Mother's Day Stall last Thursday. We are very grateful for all the work the PACC has put in towards making the Stall a big success and giving the children an opportunity to buy a gift for their mums. Thanks also to all the other wonderful parent helpers on the day or at set up on Wednesday.

The next major event for the PACC will be the Whole School Disco on the 27<sup>th</sup> June. More details to come...

### **Education Support Staff Appreciation Day**

Our staff celebrated Education Support Day on Tuesday 13<sup>th</sup> May. We encourage the CPS community to join in and acknowledge the wonderful work our ES staff do in the classroom and administration. Thank you so much to Jan, Rachael, Ria, Joanna, Libby, Les, Michelle, Hema, Carol, Ann, Surabhi, Gab, Lynn and Shannen for keeping our school running and by supporting our students to learn, our teachers to teach and engaging our community in our influencing school. Your efforts are very much appreciated!

Education Support staff have a range of roles and responsibilities across the school that should be acknowledged and appreciated.

These include:

-Daily classroom and targeted supports in the classroom for individuals and groups of students

-Managing lost property, donated foods, sickbay

-Maintaining the running of the office and managing all school business transactions

-Supporting families with state school relief

-Training and overseeing anaphylaxis needs for students & staff

-Facilities and grounds maintenance

-Resource Smart Schools program facilitation and garden club supports -Supporting and running community events, such as the Bookfair, and so much more!

We literally could not run the school without them! Please be sure to say a big 'Thank you' to our ES staff this week, for all that they do for our students and our school.

### **Open Night**

Thank you to the many families that visited our school for the annual Education Week Open Night. The feel for the evening was very relaxed. Families were very appreciative of the teaching and learning that was on display throughout every classroom.

The smell of freshly cooked sausages and many STEM activities provided some of the highlights of the evening. Winners of the Passport will be announced at the end of term assembly.

Welcome to the family

### **Kiss and Go Parking**

We have 'Kiss and Go' signage installed out the front of the school on Crawford Road and Eulinga Road. To assist with traffic management, it is obvious to any person using the 2-minute zone at the front of the school that it is not a place to sit and wait or leave a vehicle to go pick up children from within the school.

The process is not considered new and will be strictly monitored by Kingston Council bylaws officers. We have had a number of parents fined in recent times. For those struggling to get a car park on Crawford or Eulinga Road, may I recommend parking on Elder Street and walking across the oval with your child/ren.

### Kiss and Go Zone Process

### 1. Stay in sequence

Drop off or pick up your child close to the top of the zone, as far forward as possible. This allows vehicles following you to enter the zone in an orderly manner.

### 2. Curbside Entry and Exit

ALL children must enter and exit a vehicle from the curbside under no circumstances should this be from the driver's side!

### 3. Driver duty of care

Observe traffic when entering or leaving the zone. Use your indicator to advise when moving into or out of the zone.

### 4. Strictly No U-turns

Welcome to the family

Do not do U-turn in busy school zones. They are dangerous and put children at risk.

KISS & GO

2 MINUTE LIMIT

See you around the school, **Robbie Mallett**
