Partnership

We are looking forward to a productive partnership with you to ensure all students can achieve their highest potential. We recognise that in order to be successful in school, our students need support from both the home and school. A strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our student's success and want you to know that we will do our very best to carry out our responsibilities.

Assistant Principal Dearnne Backhouse is available and likewise my Principal door is always open, as we want to hear about issues of a student nature – with our number one priority the care of all students at Clarinda Primary School.

The class teacher is the first point of contact should you have anything you need to discuss relating to your child's schooling. Teachers are available for informal meetings before school at 8:50am, but if you feel you need more than a few minutes (as instruction begins promptly at 9am) you can make an appointment for a mutually convenient time either before school or after school via ClassDoJo or calling the office.

From the Principal's Desk...

Parental support of the teachers and the school's programs is also vital and includes displaying a positive attitude towards your child's learning. We encourage you to take the opportunity to introduce yourself to your child's teacher particularly during the formal Parent Teacher interviews.

At CPS we use the Compass parent portal as a key communication tool, providing access to student academic progress, attendance, key dates, reports, parent/teacher meeting bookings, and newsletters. With all school communications made through Compass, please consider this app for Apple users.

Getting to Know You Meetings – Tuesday 3rd March

Notices will be sent home shortly about our Getting to Know You meetings. Parents of all students are invited to book a time convenient to them. Bookings can be made via our Compass online system.

Due to the success of our WebEx interviews, we have the option of either choosing to attend the interview in person or 'online' via WebEx.

The purpose of these interviews is twofold. Parents and guardians are encouraged to attend to:

- Meet their child's teacher to begin an effective home/school partnership.
- Provide information to teachers regarding their child's strengths, talents, issues or concerns.

Information shared by parents to teachers will assist us to plan for and work as effectively as possible with you and your child throughout the year.

Interviews will be 10 minutes in length.

STUDENT

Thumbs Up:

- **Parent Payments:** Parent payments help the school to operate effectively. On behalf of our School Council, I wish to thank the families who have recently assisted the school through attending to School Contributions Payments for 2026, with some families chipping away at payment plans and online payments. Our school maintains outstanding resources and the breadth of programs that we run is way above a basic standard curriculum in a public school. Thank you to all families who continue to support our school in some little (and often big) ways here and there. The students, and staff cherish the opportunities presented to them.
- **Uniform:** Thank you to our school parents for your work in making sure that the transition back to school has been so positive after a long summer break. This includes ensuring all students are wearing a clearly labelled school uniform. CPS has a wonderful looking uniform, which our students wear with pride and esteem. An essential part of the uniform until the end of April is a school uniform brimmed hat (with students who do not have a hat during recess and lunch breaks required to sit under the shade sail outside the Greek classrooms).

From the Principal's Desk...

- **Good Habits:** Further to the above, we appreciate the role of parents in supporting their children with great habits: along with uniforms, organising brainfood and healthy lunch-boxes, and getting your children to school on time. Punctuality is an important life skill and a great habit to form early in life. A reminder again that school officially starts at 9:00am and students are expected to be in class at this time ready for the attendance role to be taken. Teachers are on duty each day from 8:50am. After the roll has been marked, students who arrive late after 9:00am must sign in at the office so they are legally accounted for on the grounds.

Why moving beyond "How was your day?" is important

When we ask "How was your day?", the most common response is "good", "fine", or "okay." While polite, these answers rarely tell us anything meaningful. Below is a list of 50 Alternative ways that help encourage reflection, connection, exploration and promote growth.

See you around the school
Robbie Mallett

Office Reminder

A photo consent form was sent home with your child recently, we would appreciate these returned by this Friday 20th February. Please note that not returning your form may stop us from being able to share photos of your child in our school newsletter or in classroom posts via dojo.

I have also attached the Camps, Sports & Excursions Fund Application Form & eligibility to this newsletter.

If you require either form, please visit us in the front office.

Lost Property

Just a friendly reminder: our Lost Property area is located opposite the front office on the grey bench seat.

We kindly ask that you check your child's uniform and belongings when they come home, as we've already had a few hats go missing.

Your support in helping us keep items in the right hands is greatly appreciated!

GREEK LANGUAGE

During the first two weeks of school, students participated in a collaborative project to celebrate World Greek Language Day, held on 9th February. Students from Grade 1 to Grade 6 shared their knowledge and understanding of Greece, its language, traditions, and culture through creative classroom activities.

Their work was displayed on ancient style pillars, which were arranged to form a representation of the Parthenon. Foundation students contributed by creating a frieze of the Parthenon, a broad horizontal band of decorative artwork inspired by the original monument.

The images below showcases the final product of the students' collaborative efforts.

The completed display is proudly exhibited in the foyer of the main building.

World Greek Language Day

- Date:** 9 February
- Recognition:** Supported by UNESCO and celebrated internationally
- Origin:** Established by the Greek state in 2017

Why 9 February?

The date honors the death anniversary of Dionysios Solomos, Greece's national poet and the author of "Hymn to Liberty", which later became the Greek national anthem. It's a symbolic way to link the language with Greek cultural identity and freedom.

How it's celebrated

Around the world, especially in Greece, Cyprus, and Greek communities abroad, you'll see:

- Lectures, conferences, and school events
- Readings of Greek poetry and literature
- Cultural performances and exhibitions
- Online campaigns celebrating Greek words, history, and expressions

Many universities and Greek cultural centres use the day to highlight how Greek continues to shape modern languages and ideas.

Why the Greek language matters

Greek isn't just old, it's *continuously alive*:

- Over 3,000 years of written history**, making it one of the longest-documented living languages in the world
- A foundational language for philosophy, science, mathematics, medicine, and politics
- Thousands of words used globally come from Greek (think democracy, biology, theatre, astronomy)

Because of this massive cultural and intellectual impact, UNESCO supports the day as part of its mission to protect linguistic diversity and cultural heritage.

Big picture meaning

World Greek Language Day isn't just about Greek speakers—it's about:

- Preserving languages as cultural memory
- Celebrating how language shapes human thought
- Encouraging multilingualism and intercultural dialogue

POLICY

There are many occasions during the school year where Clarinda Primary School staff photograph, film or record students participating in school activities or events, for example classroom activities, sports events, concerts, excursions and camps.

We do this for many reasons including to celebrate student participation and achievement, showcase learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters.

There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Clarinda Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act 2014* (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

Consent

The Photographing, Filming and Recording Students Consent Form is provided by Clarinda Primary School at enrolment. This form applies to standard uses of images for the time your child attends the school. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting the school office on 95443231. If consent is withdrawn verbally, the school will make a written record of this. However:

- if the images have already been published and are in the public domain, it may not be possible to remove them
- the school can still collect, use and disclose images in circumstances where consent is not required (see below for more information).

Image use within the physical school environment

Clarinda Primary School may photograph, film or record students to use within the physical school environment, including:

- for display in school classrooms (e.g. in displays of student work, on noticeboards to celebrate achievements)

Consent, if given, applies until it is withdrawn or changed. If a parent/carer would like to withdraw or change their consent at any point in time, they must notify the school.

Image use within the school community

Clarinda Primary School may photograph, film or record students to use within the school community, including:

- in the school's online communication, learning and teaching tools (e.g., emails, classroom blogs or apps that can only be accessed by students, parents/carers and school staff with passwords.)

A Photographing, Filming and Recording Students Consent Form will be given to parents/carers on enrolment for the standard uses described above. Consent, if given, applies until it is withdrawn or changed. If a parent/carer would like to withdraw or change their consent at any point in time, they must notify the school.

Image use beyond the school community

Photographs, video or recordings of students may also be used in publications that are accessible to the public, including:

We will notify you individually if we are considering using any images of your child for specific advertising or promotional purposes.

Media

The media, or the Department of Education's media team, may seek to photograph, film or record students for a news story or school event. This may include broadcast media, online or social media or print media, including newspapers and magazine publications.

When Clarinda Primary School receives such requests, our school will:

- provide parents/carers with information about the organisation involved and when and for what purposes the photography, filming or recording will occur
- seek prior, express parent/carers consent in writing.

Students will only be photographed, filmed or recorded by the media at school if express consent is provided for that specific media event. Neither the school nor the department own or control any photographs, video or recordings of students taken by the media.

Research

On occasion, the school may agree to research projects being conducted at the school. If this occurs, parent/carers consent will be sought for student participation, including any photography or recording of students.

Other external collection, use or disclosure

If there is a situation which will involve the collection, use or disclosure of images of students by or to third parties which is not otherwise covered by this policy, Clarinda Primary School will:

- provide parents/carers with information about the event or activity, the organisation involved and when the photography, filming or recording will occur
- seek prior, express parent/carers consent in writing.

Official school photographs

As required, Clarinda Primary School will arrange for a professional photographer to take official school photographs of students. This will generally involve both class photos and individual photos being taken.

Official school photographs may be:

- purchased by parents/carers
- used for school identification cards and student identity verification letters
- stored on CASES21 for educational and administrative purposes.

Clarinda Primary School will notify parents/carers in advance of the official school photographs being taken to give them an opportunity to decide whether their child will be included in the photographs.

Parents/carers who choose to opt out of having their child participate in official school photographs must contact the **school office on 9544 3231**, before the date photos are scheduled to be taken to advise that their child will not participate. There is no obligation on any parent or carer to purchase any photographs

taken. However, the school will need to discuss with these parents/carers alternative arrangements for identifying students in emergencies and for other essential purposes.

Images to manage student behaviour or fulfil our school's legal obligations, including child safety

On occasion, it may be necessary for school staff to photograph, film or record students and/or use images to:

- fulfil legal obligations, including to:
 - take reasonable steps to reduce the risk of reasonably foreseeable harm to students, staff and visitors (duty of care)
 - provide a safe and suitable workplace (occupational health and safety law)
 - supporting students' social and emotional wellbeing, and health (duty of care)
- for identification purposes, when necessary to implement discipline and/or behaviour management policies.

Clarinda Primary School does not require or obtain consent from parents/carers or students to photograph, film or record students, or to use these images, for these reasons. However, when Clarinda Primary School photographs, films or records a student for any of these purposes, staff will only collect and use such images in a way that is necessary, reasonable and appropriate in the circumstances.

Child Safe Standards

Clarinda Primary School will use student images reasonably, appropriately and sensitively, consistent with our obligations under the Child Safe Standards and our school's [Child Safety and Wellbeing Policy](#). If at any time a parent/carer or student has a concern about the use of any images they should contact the school Principal on 95443231.

Curriculum-based activities

Photographs, film and recordings of students may be collected and used for curriculum-based activities (i.e. class work) as part of standard learning and teaching practices. Clarinda Primary School does not require or obtain consent for this. Access is limited to students and relevant teaching staff. Parents/carers may have access to images of their own child in this context.

Professional development

Occasionally, teachers and classes may be recorded for professional development purposes to improve the delivery of educational services. Clarinda Primary School does not require or obtain consent for this, however the recordings will only be used internally and for the specific purpose of staff development.

Storage of images

Photographs, video and recordings of students taken by Clarinda Primary School will be stored in our secure document storage systems with restricted access. Any photographs, videos or recordings made on devices, including non-school issued devices, will be transferred to secure school systems and removed from the devices as soon as reasonably possible.

Images taken by the school community

Clarinda Primary School requests that parents/carers, students and invited guests who photograph, film or record school activities only do so for their own personal use and do not publish the images in any form, including on social media, without the prior consent of persons whose children also appear in the images.
